

28 May 2013

Dear Colleagues

**Revision/Remedial Sessions for Traumatology Block 17 Students**

As we did last year, we should accede to student's request for revision (remedial) tutorials for those who have not promoted and need to write 1<sup>st</sup> Exam 1<sup>st</sup> Semester on 12 June 2013, about 80 students. Previous experience is that only about 20 students will avail themselves for remedial.

I should like to suggest the following time table, if not suitable send a secondus or arrange with students directly for different day. Please remember that students are still otherwise involved with Block 18 until 07 June 2013 when they shall be writing End of Block 18 test! These being relatively vulnerable students they are more likely to be writing 1<sup>st</sup> Exam 1<sup>st</sup> Semester for Block 15 on 10<sup>th</sup> June and Block 16 on 11<sup>th</sup> June before they sit for our Block 17 on 12<sup>th</sup> June.

**We will avail our Seminar Room 1 in Department of Surgery for the purpose.**

- **31<sup>st</sup> May Friday 3-4pm: General Surgery: Prof Mokoena (30 min)**  
**Chemical Pathology: DrO Kiabilua (20 min)**
- **7<sup>th</sup> June Friday 3-5:20pm: Neurosurgery: Prof Mokgokong (20 min)**
  - ENT: Prof Mulder (20 min)
  - Vascular: Prof Mulaudzi (20 min)
  - Orthopaedics: Prof Ngcelwane, Prof Motsitsi (1Hour)
  - Anaesthetics: Dr S Papaikonomou (20 min)
- **8<sup>th</sup> June Saturday 8-11am: General Surgery: Prof Pretorius, Prof Ntlhe, Prof H du Plessis (20 min each), Plastic Surgery: Prof Coetzee (20 min), Urology: Dr Moshokoa (20 min)**
  - Thoracic Surgery: Prof D. du Plessis (20 min)
  - Forensic Medicine: Dr Rossouw (20 min)

Thank you  
Yours sincerely

  
Taole Mokoena DPhil FRCS  
Professor and Head: Department of Surgery
